## Technical Skills

- Languages:** Java, HTML, CSS, Power Bi.
- Frameworks / Libraries:** J2EE, Servlets.
- Databases:** MySQL.
- Developer Tools:** Visual Studio, Edit Plus, Eclipse IDE, Microsoft Excel.
- Web/Operating System:** Windows, Linux.
- Technical Proficiencies:** Object-Oriented Programming, Database Management System, Data Visualization.
- Soft Skills:** Leadership, Problem-Solving, Collaborative.

## Education

### Bachelor of Engineering in Computer Science

Qis College of Engineering.

- Final CGPA: 7.95

Ongole

Nov 2020 – June 2024

### Pre-University Course

Sahithi Junior College

- Final Percentage: 65%

Giddalur

June 2018 – April 2020

### Secondary School Leaving Certificate (SSLC)

Surya VidhyaNikethan -School

- Final Percentage: 90%

Giddalur

June 2017 – April 2018

## Academic projects

### Project: Privacy-Preserving Medical Data Sharing Scheme Based on Blockchain

Oct–2023 – April2024

- Developed a blockchain-based system to ensure secure and confidential sharing of medical data.
- Implemented cryptographic techniques and smart contracts to regulate access and maintain data integrity
- Enabled patients to control data access while ensuring transparency, security, and efficiency in healthcare data sharing.

### Power BI Project – Uber Trip Analysis Dashboard

mar 2025 – April 2025

- Designed and developed a comprehensive Power BI dashboard to uncover insights from Uber trip data, focusing on booking trends, revenue generation, and trip efficiency.
- Implemented advanced features like dynamic measure selection, interactive slicers, tooltips, and conditional formatting for enhanced user experience.
- Conducted detailed location and vehicle-type analysis to support strategic planning and demand forecasting
- Delivered a professional, user-friendly dashboard with bookmarks, dynamic titles, and export functionality to support data-driven decision-making.

## Courses and Certifications

- Completed hands-on training in full-stack development, including front-end and back-end technologies.
- Gained experience in building and deploying web applications using Java, SQL and related technologies

## Hobbies

- Participating in Java Tech Community events to discuss innovations and practical applications
- Exploring emerging technologies through hands-on mini-projects and open-source contributions

## STRENGTHS

- Quick learner.
- Positive attitude.
- Creativity.

## DECLARATION

I hereby declare that all the information furnished above is true to the best of my knowledge.
